

KING'S LANDER
PRIMARY ACADEMY

Newsletter 17th October 2024

School Website

I am pleased to be able to tell you that our new school website, kingslanderprimary.com, is now up and running; this contains lots of important information about our school. It is, however, a work in progress and we will, over the coming months, continue to add further content. In the meantime, please contact the school office for anything you require which is not currently on the website.

Social Media

We also now have two new social media accounts:

Facebook @kingslanderprimary

X @kings_lander

Residential Visits

This week, many of our Year 3 pupils have headed out to Crosby Hall for the second of this year's residential visits. This follows a highly successful Year 4 and 5 visit to London earlier this month, where the children took part in some sightseeing, watched 'Wicked' in the West End and visited the Harry Potter tour at Warner Brothers Studios.

I would like to say a huge thank you to all the staff who have given up their time to support these visits. Without their commitment and goodwill, visits such as these would not be able to take place.

We are currently finalising plans for this year's Year 6 trip to Zamora in Spain. Further details will be sent out to Year Six parents/carers before half term.

Attendance

This year, once again, improving attendance will be a priority for our school. While many children have made an excellent start, we are currently some way off our target of a minimum overall attendance figure of 96%. Please support us in doing what you can to ensure that your child is in school on time each day, unless they are too ill to attend.

Thank you for your continued support.
J Taylor, Principal
